General Assembly: July 3-10 2010 in Minneapolis, Minn. \_\_\_\_\_ Yes \_\_\_\_ No  
Commissioners' and advisory delegates' travel, lodging, and meal expenses are covered by the assembly – this is part of the denomination's per capita budget.

- Air travel to Minneapolis can be arranged through the assembly's travel agency, so you need not incur out-of-pocket costs
- Lodging (at the shared rate) at one of the six assembly hotels is paid directly by the assembly; you will incur out-of-pocket hotel charges only if you request a single room (or bring a spouse/family) or reserve additional nights at the hotel for personal reasons.
- Meals are provided in two ways: there are five group meals during the week for commissioners and advisory delegates, and you will receive a per diem for other meals when you are on your own. There are numerous restaurants in and near the convention center and assembly hotels – at all price ranges
